SCOTTSBLUFF, Neb., — The Board of Directors of Chadron Community Hospital and Health Services and Regional West Health Services has appointed Jeff Shelton as Chief Executive Officer. Mr. Shelton will assume administrative responsibilities for the hospital, nursing home and rural outreach clinics on September 16.

Shelton, who is from Kentucky, is an experienced healthcare administrator. He completed his undergraduate education at Indiana Wesleyan University, Indiana, and earned a master's degree in healthcare administration from Bellevue University, Nebraska.

“We welcome Jeff to Chadron Community Hospital and Health Services and our community,” said Kerry Bailey, CCH Board Chair. “His health care expertise and experience will be very helpful to us.”

Shelton previously worked as Chief Executive Officer at Hiawatha Community Hospital in Kansas. He also served as Chief Executive Officer at three other Critical Access Hospitals prior to his assignment in Kansas. Jeff's experience includes critical access hospital operations and has a working knowledge and accomplishments with critical access hospital systems as well as health care information technology systems. Regional West Health Services in Scottsbluff is in partnership with Chadron Community Hospital and Health Services with the operations of the CCH health care organization and Chief Executive Officer.

[Regional West Health Services](#) in Scottsbluff, Neb., is the parent company of Regional West Medical Center, a 188-bed regional referral center and one of three Level II Trauma Centers in the state. As the region's only tertiary referral medical center, Regional West offers care that spans more than 32 medical specialties provided by over 28 physician clinics. With nearly 300 providers, and over 2,000 employees, Regional West provides comprehensive and innovative health care services for the people of western Nebraska and the neighboring states of Colorado, South Dakota, and Wyoming.
