

Chadron Community Hospital & Health Services Financial Assistance Policy Summary

It is the policy of Chadron Community Hospital & Health Services to provide financial assistance to qualifying patients with their outstanding bills for medically necessary and emergency care provided at Chadron Community Hospital & Health Services.

Patients that qualify for Financial Assistance

To receive financial assistance under the Financial Assistance Policy, you must Be:

Financial Hardship

To be approved for “financial hardship,” you must have a household income equal to or less than 150% of Federal Poverty Level (“FPL”). If you qualify as “financial hardship,” financial assistance will be provided at 100% as set forth in the policy.

Medical Hardship

To be approved for “medical hardship,” you must have medical bills and related debt that exceed a percent of the greater of your annual household income or net worth. If you qualify for “medical hardship,” you will be responsible for your hospital bills after this amount and all or a percentage of the past amount due will be considered financial assistance.

If you are eligible for financial assistance, you will **NOT** be charged more than amounts generally billed to patients who have health insurance. You may be given more financial assistance if the discount for which you qualify does not satisfy this requirement.

How to Apply

Chadron Community Hospital & Health Services encourages patients who may qualify to apply for financial assistance. Patients can apply for financial assistance by completing and submitting a financial assistance application to:
